01:32:36 1 A. Correct, yeah.

2 Q. Backing up a little bit, aside from what you
3 saw the decedent do and her vehicle do when you came
4 across them, did you witness her at any other point
01:32:49 5 on that date?

6 A. No.

7 Q. So you didn't have any interactions or run
8 into her as far as you know on that day?

9 A. No. And if I was it would have been passing
01:33:08 10 by. I wouldn't have known it was her or not

11 Q. Okay. And did you recognize any officer
12 that contacted you and interviewed you on December 2,
13 2020 from prior interactions?

14 A. No, I did not.

01:33:27 15 Q. Did you take any photographs of the video of
16 that day?

17 A. No, I did not.

18 Q. I'm circling back to when the officer fell
19 underneath the decedent's car and went over his leg.

01:33:50 20 Do you recall which leg it was, his right or
21 left?

22 A. From what I could tell it looked like both
23 of them perhaps. If it was one or the other I wasn't
24 able to decipher that.

01:34:03 25 Q. Okay. And after the car ran over his

01:34:03 1 legs -- scratch that.

2 When the car ran over his legs, what

3 direction was the car traveling? Was it traveling

4 forwards or rearwards?

01:34:17 5 A. Rearwards.

6 Q. Okay. And at that point did it fully drive

7 over that officer's body or was it stopped on top of

8 his body or how was it positioned in relation to his

9 body?

01:34:32 10 A. It looked like it went completely over.

11 Q. So was the officer pinned under the vehicle

12 at any point with the vehicle stopped on top of him?

13 A. Not that I remember.

14 Q. What do you recall the vehicle doing after

01:34:48 15 it had run over the officer's legs?

16 A. It had stopped I would assume to go back

17 into drive to go forward, but that's when the shots

18 were fired so that was the last movement it made.

19 Q. So the first and last movement it made was

01:35:02 20 it moving forward that the vehicle was making at that
21 time?

22 A. It was the reverse movement was the last

23 one.

24 Q. Okay. So after the shots were fired by the

01:35:19 25 firing officer, the vehicle did not move forward at
